RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

"We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. Why am I signing - because I hope to be one of those voices loud enough to stop outrageous destruction throughout the State of NSW and I am standing up for the right and the good. We can't just keep destroying diverse habitats willy nilly for the benefit of a few. Especially CORRIDORS.
