**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

Thank you for considering my objections to the amended DA 2020/1756. As a Newport resident, I feel strongly about the need to have a community area and Robertson Road is ideal for that. Hence, anything that detracts from that, such as vehicle entrance into the road, new buildings that exceed the scale for the site (also in height) must be rejected. We are a small village and any new building must adhere to the small village atmosphere.
