

**DEVELOPMENT APPLICATION BY JENNY KNAPMAN (“OWNER”)
50 HEATHCLIFF CRESCENT, BALGOWLAH HEIGHTS (“PROPERTY”)**

EROSION AND SEDIMENT CONTROL

For the purpose of Council’s Lodgement Requirements, the work will disturb less than 2,500 square metres of land.

A sediment and silt fence will be erected at the foot of the excavation as shown on the Demolition Plan submitted with this Application to collect any sediment and silt that might otherwise, in the event of rain, flow onto the property at 43 Fisher Street.
