RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I would hope our many suggestions and requests help you to recognise the critical nature relating to the habitat of our wildlife, fauna and flora at a time of widespread destruction.

Urban regions have caused damage, destruction and death at unprecedented levels. Unless preventive actions commence now, larger populations will devastate our natural heritage. A few corridors is not much to ask. Thank you - AB
