MRS Bronwyn Pullinger  
20 High ST  
Manly NSW 2095  

**RE: DA2021/1612 - 1 Clarke Street NARRABEEN NSW 2101**

Please have regard to Stockton as a precedent. Council should not approve any further development or renovations to any waterfront properties along the sea wall. The suggested wall is going to overshadow the beach which is for public use. Council's intervention is going to move the problem to another area. Nature will fight back.
