RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I notice that the re submitted DA now complies with council's request and objections.. the bulk and height issue has been addressed, car parking has also been addressed and issues raised at the JRPP have been met.

I fully support the application and am looking forward to council meeting with Waterbrook and achieving a positive outcome. I note that many of the current objections to this application come from the public who are neither residents of the Northern Beaches council area nor or members of the Bayview Golf Club.
