Allambie Heights NSW 2100

**RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100**

This development is completely out of character with the neighbourhood in both scale and type of development. Such developments make much more sense when built close to major public transport routes (such as Condamine Street). A second major objection is based on the almost complete lack of parking provided as part of the development, especially given the poor public transport outside peak hours.
