RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Do you think it might be possible to put the best interests of the environment before rampant greed - because that is always what is behind these types of decisions - just occasionally? Make a brave (oh, that's a dirty word isn't it?) decision, and say this development is not acceptable. Pretty soon there'll be nothing left but bitumen, concrete and people. It will take courage. You'll be subjected to scorn by those to whom money is the only measure. But you'll have your integrity - and the respect of many.
