RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

It is not inline with the existing buildings. It does not suit the area. It does not comply height wise. It will greatly impact a heritage listed building. There is not enough parking and will impact an already busy parking precinct. It will be an utter eyesore as anyone on the bay will be able to see it as it will stand out. Not in keeping with the surrounding buildings.
