Dear Sir / Madam, -

I am writing in support of Mr. J. Field's concern re the proposed plan to build 75 New Villas in the rainforest adjoining Peninsula Gardens, #9 Cabbage Tree Road, Bayries.

I wish to draw your attention to the fact that this coastal rainforest is old growth and is the home of some very valuable animals and

rephile.

This area is one of  
the last remaining patches  
of coastal rainforest  
containing Lyrebirds, Koalas,  
black cockatoos, Waterdragons  
and also several rare species  
of plants and trees.

I am writing to ask the council  
to help us to try to prevent  
this proposed development  
from taking place.

Yours sincerely
