RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I don't live in Sydney, but do visit. I am interested in visitors coming to Oz, and many will land in Sydney.

Will they come to see more high-rise, or to see world leading wildlife providence?

So often in this land people see a nice rural spot and think "I could live here", then we proceed to reduce it to the metro state we don't like.

Please stop the rot.
