RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

What is your risk assessment regarding the safety and security of our children?
Is there a risk, yes or no, whether our children could be corrupted, abducted, or molested by 1 individual who may occupy a room at any approved boarding house?
Allambie is a family focused community, and I can't see the benefits in introducing non fit for purpose boarding houses into the area.
