RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. Sydney needs to preserve these wildlife corridors to maintain healthy ecosystems within the city. These ecosystems are vital to Sydney's air and water health as well as supporting unique and vulnerable wildlife. Wildlife which also attracts Tourists to our city
