DA Assessment

Address: Harbord Bowling and Recreation Club on Bennett St

Dear Council,

Please find following our application and accompanying documentation for a DA to commence a weekly produce market on a Sunday, on the grounds of Harbord Bowling and Recreation Club. We are excited to collaborate with a local bowling club that has such strong ties to its local community and to bring this much wanted community event to fruition.

We have the full support of the Harbord Bowling Club and have both a written and digital petition with hundreds of signatures in support of this initiative, and in fact won a Northern Beaches Council tender to hold a produce market in the area. The tender was in response to community feedback which identified the demand for a weekly local market.

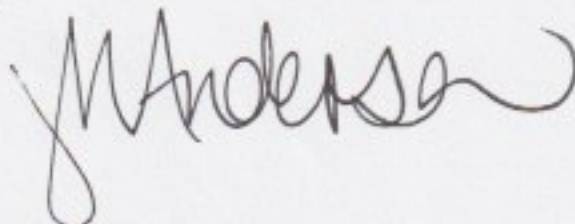

The site has been chosen as we believe it to be perfectly suited to this type of event and it will activate an underutilised venue which is free, open and available to the public.

We are experienced market operators with a passion for fresh produce direct from farmers and organics. We successfully operate a twice per week market at the Entertainment Quarter with over 90 stalls every week. We also operate large festival style markets in and around Sydney. For more information on our company and the markets we run please head to our website:

Please let us know if you require any further information regarding any details contained within our application.

Warm Regards,
