**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

This development seems totally opposed to the character of the current street that is a pedestrian friendly popular local meeting place. To have such a huge increase in vehicular traffic to use a carpark entrance half way along would not be safe with cars presumably banking up from Barrenjoey Road to enter. How is this compatible with making Robertson Rd a pedestrian plaza which the majority of residents requested long ago. We want to be able to move freely and safely in this area.
