Re : DEVELOPMENT APPLICATION NO. DA 2010 / 0697
22 -26 Albert St, Freshwater/5-21 Lawrence St, Freshwater/18-22 Marmora St, Freshwater

Dear Sir

I am submitting the following objections to the application listed above :-

COMMERCIAL CAR PARKING spaces – does not comply with the LEP

FRONT BUILDING SETBACK – Building A does not comply with the LEP

LAND USE in regard to H1 and H2 – these are not consistent with the LEP restrictions.

TRAFFIC CONGESTION due to the entry and exit of 337 vehicles will gridlock the area

Impact on the AMENITY of the area & the current shopkeepers will be devastating

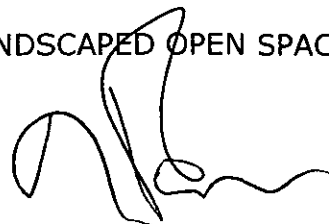

SAFETY CONCERNS with the 5-storey residential building backing onto the large electricity sub-station and also being adjacent to the telecommunication base.

The DENSITY of the development – it exceeds the LEP restrictions

The HEIGHT of the development – it clearly exceeds the LEP restrictions

The lack of LANDSCAPED OPEN SPACE – it does not comply with the LEP

Yours sincerely

N Pears
