**RE: DA2020/1042 - 349 Barrenjoey Road NEWPORT NSW 2106**

This proposed development is inconsistent with the Master Plan for Newport. The Master Plan for Newport proposes to turn Robertson Road into a pedestrianised shopping and eating area. Robertson Road is the nicest part of Newport and the only location with potential for a "village feel" in Newport. I object to the development's proposed driveway access via Robertson Road, which will impact on the character of Robertson Road and future potential as a village centre.
