RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Sydney is fast losing its green space and areas for native flora and fauna. We need to protect these areas for the future, for our children and for everyone to appreciate and enjoy. Once they are gone they are lost forever.
Therefore, I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.
This is Biodiversity land and should not be destroyed by this 85 Unit development.
