RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Sir/Madam,

even though I live on the other side of the country, I feel compelled to object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor, which is home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development.

Money cannot replace nature, and the most affected cannot object.

Kind regards,

Karsten Winter
