Importance: High

To whom it may concern,

I am writing to express my support for DA2017/1274 - Waterbrook, Bayview.

I am of the view that this development will serve the ageing community of Bayview. It will also provide the Northern Beaches area with the facilities required to assist in serving the retiring community and their neighbours alike.

Bringing a retirement facility of this magnitude to the Northern Beaches community provides an option for those wanting to downsize to stay near their loved ones and in their loved area, whilst providing the required facilities.

Waterbrook, Bayview will also provide resources to promote a sustainable future for the Bayview Golf Club and environment.

Best Regards
Christian Thomas
