**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I totally object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife and coastal corridor, home to many vulnerable species.

This is biodiversity land and must not be destroyed by this 85 unit development or any other development in the future. The land needs to be better protected so that in future there is no possibility that developers can attempt to develop ever again. The council needs to protect this land forever.
