**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

The development will increase to the badly needed supply of accommodation for seniors in our local area. As a senior myself I would hate to have to move out of our beautiful area where I have lived for the past 47 years.

Also the development appears to be of a high standard and sympathetic with the surrounding environment

I hope it is approved and goes ahead

Yours Sincerely  
Louis Cordony
