RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Sir / Madam

Although I no longer reside locally, I worked in the area for 25 years and am very familiar with this Bayview locality.

This proposal constitutes a gross over-development which is completely unsuitable for the area. Apart from the obvious traffic issues that would flow from this, the area is a very important habitat corridor for a number of threatened species, in addition to being habitat for our diminishing population of commoner local bushland species. I therefore must object strongly to this development and ask that council reject it entirely as unsuitable for the area.

yours faithfully
Phil Packham
