RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

DA1274/2017

Please reject any development of this land. It has been judged crucially important in its provision of wildlife habitat. Our city needs these green spaces to make living here pleasant. The majority of people love to see and hear birds and other animals around. The benefit to general mental health of looking at trees has been proven. Please continue to preserve this important place.
