Subject: Waterbrook Development

26th February 2016

My name is John Bradstreet and I live currently at Frenchs Forest.

I am a member of Bayview a golf Club and wish to support the case for the development that is proposed.

As my wife and I are in our late 60s and with housing availability on the Northern Beaches for the over 55s limited our choice to downsize is currently restricted.

With the proposed development it will create an opportunity to downsize and in our case freeing up a 4 bedroom home, we would consider moving to the proposed development and no doubt others would be interested too.

The development will enhance the golfing landscape by providing improved landscaping and drainage which currently is diabolical with heavy rain in around the golf course and surrounding road and water easement areas.

The application is in the final stages with Council and I urge the Council to give the approval to proceed.

Regards

John Bradstreet
