RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

My wife was born and brought up on the Northern Beaches of Sydney, certainly one of the most beautiful suburban areas in Australia. We return there for holidays regularly, and we are both distressed to learn that the Green corridors or links are being compromised by development, and short term, faulty planning.

Please take steps to disallow any development that threatens or encroaches on the beautiful natural areas in the Northern Beaches.
