**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

Robertson Road - the heart of Newport.

As a family we eat in Robertson Rd often, we love it when they close the street and bring the community together with markets or local artists/bands. Newport doesn't need the big fancy buildings.

It's the heart of our community and if we, as a community don't want this change, please listen to us. Let us keep some of our beautiful beachside feel.
