RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I strongly object to this over development in an area of houses. I regularly walk my dogs down Nargong, then down Binalong and as a pedestrian I am very, very careful of NOT being run over by cars/trucks/school buses. There are no footpaths - the corner of the proposed development is busy, dangerous and Nargong regularly has a number of parked caravans and boats which has led to stop/start whilst driving down this road. Where will all the cars park from the proposed development - how many cars off road can this development provide? I am very unhappy about the greed and positioning of this proposal.
