RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development.

This is common sense and money shouldn't sway the right thing to do. And the right thing to do is protect those vulnerable animals that have already had so much land taken away from them. Please don't take away their wildlife corridor too. Please have empathy and compassion for the animals who's lives depend on this.
