**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

How outrageous to hear the latest comments from the Plannign insistent. If Anthony Roberts is tired of Council pushing back on Over Developer that is purely as they hear our voice.

Developer lead overdevelopment and poor or little strategic planning means we REFUSE to stand by and what he our communities HIJACKED and none of these developments can be proven to actually provide the housing they are "proposing" they are through poor planning legislation.
