**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

There are 150 trees being taken down with the proposed development. Some of the trees are pine trees and Australian native animals cannot live or gain any food from pine trees. There will be over 3000 trees planted if the proposal is approved and therefore the flora and fauna will be improved not destroyed. I approve of the development.
