RE: DA2020/1042 - 349 Barrenjoey Road NEWPORT NSW 2106

Hi Councillors

I'm not anti development at 349 Barrenjoey Rd, but I am concerned about the driveway appearance and also vehicle movements affecting foot traffic in Robertson Rd into and out of the proposed development . Is there some way that an access right of way can be granted via the car park at the rear?

Thanks

Michael
