**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

My objection to the development of Robertson Road, is purely about the access to the parking. Robertson Road is the only way to the back streets in the middle of Newport. If residence of this new complex are driving in and out of this one way street, the clog of traffic, both in this street and flowing back onto Barrenjoey Road will increase.
