RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I am writing this on behalf the powerful owl, other threatened species that use local Wild Life Corridors. One of the great joys of living in Mona Vale is the proximity to wild areas and wild life. We even have bandicoots feeding 5 metres from our bedroom windows.

I object to the development application DA1274/2017 in its revised form and believe that the preservation of Wild Life Corridors is of the utmost importance.

Kind regards,

Michael Mira (Prof_Michael_mira@yahoo.com.au)
