RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

How can the Councils and Governments of his great country that we live in continue on with the bastardry of the little that we have left of wildlife corridors. Shame on anyone who puts people before wildlife. Please put a stop to this building proposal. After all, we stole the land from the indigenous people... Are we now going to steal the land that our native wildlife call home. Shame, shame, shame if that happens!
