**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Dear Sir, Madam

I strongly object to the amended plans to build 7 apartment blocks.

We need to conserve this nature corridor, it's home to an abundance of native fauna and flora. We are already destroying enough of their natural environment on a daily basis. Soon they will have nowhere to live or breed, more of our beloved species will become extinct.

I'm sure there are other sites to be looked at that aren't as detrimental to the environment. Please reconsider this application.
