**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW  
2099**

This is absolutely abhorrent and cannot be allowed to go ahead. Every member of Spring Road has organised a rally to fight this telephone tower, which will produce damaging radiation, damage the native bush land, and create a devastating eye sore to the beauty of the northern beaches. We will be pursuing legal action against the council if this goes a head. It is a reprehensible development proposal that must be stopped immediately.
