RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

It is imperative that Robertson Road is seen as the heart of Newport because unlike our neighbouring suburb of Avalon, there is limited off main road areas. Disappointingly, many of the recent developments in Newport are far from attractive unlike Avalon. We Newporters love our suburb and feel strongly about ensuring that new developments enhance our suburb and reflect our lifestyle.
