**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I strongly object to the submitted DA 1274/2017 to develop 7 apartment buildings in the middle of a designated high priority wildlife corridor, in Bayview, home to many vulnerable species. I have hope as a Pittwater resident of 48 years, that my local council will have learned from the mistakes of the past; such as allowing the development of the Pittwater Palms site in Avalon, that spelled the end of koalas on the northern beaches; and will reject this application. Because once it's gone, it's gone forever.
