Northern Beaches Council
Development N0460/17

I am not agreeable to the height of the dwellings in this development, as on the road front the townhouses exceed the limit of 8.5mtrs & the units at the back exceed the limit by 1.65mtrs.

also the set back has been reduced by half a metre, reducing private space & green space for trees, this will be creating more traffic noise.

yours sincerely
B. Brownlie
