RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Sir/Madam,

We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor which is home to many vulnerable species. This is biodiversity land and should not be destroyed by this development. Once nature is destroyed and species survival threatened there are no second chances. Do not allow this development to proceed.

Thank you for your kind consideration.
