**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW

I'm writing with concern about the proposed Optus tower at Curl Curl. As a mother of a child who plays at the park in curl curl and will be attending Curl Curl North Public School in a few years it really worries me that a tower emitting radiation could be placed so close to play areas and to the school. I am against it being put in as it is risky for the health and safety of the kids in the community.
