RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

To the assessing officer,
I am against any development on Bayview. Our wildlife which are dwindling are as much a part of this land as humans are and to remove any of the flora and fauna and further degradation and cutting down of precious trees in this area would certainly have a detrimental impact on the area including the surrounding areas. Council are suppose to act on behalf of the community as a whole and not just for a mongrel company throwing money around. It's absurd to think Council are even giving air to the thought of development here. Keep your hands off it and leave it alone. Stop sacrificing our wildlife and wilderness for purposes of building concrete jungles. Do the right thing say NO
