**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099**

We understand there is a proposed phone tower to be built on John Fisher Park next to Curl Curl Lagoon. We have a number of concerns relating to this being:

- 1) The development will be over 25m high which will be an eyesore in what otherwise is a beautiful environmental backdrop.
- 2) Our family frequently visits this area to use in recreation and plying sport on the fields, we're concerned about losing this space for recreation and health impacts related to the proximity to playing fields
- 4) We are broadly concerned about the environmental and health impact to this area and the local community.
- 3) Further, we understand that the development does not comply with the Plan of Management of John Fisher Park and that the case hasn't been made by the private operator to warrant a new phone tower on public / community land.
