**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

I strongly appose the installation of a cell tower in this location.
As mentioned by many others, it is not necessary, too close to the school and in a
area that is used by 100's of people.
It was rejected in the past by the community, so why has this come up again?
