RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Please do not disregard the wildlife that have made their home in these areas for decades and possibly longer. Unlike native title, once the land has been taken from wildlife it cannot be regained, it is absolutely destroyed and is contributing to wildlife extinction at an alarming rate, therefore we object to this development. There must be other areas with less impact on animal species that could be considered.
