**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I wish to record my very strong objection to the development application DA1274/2017 for a proposed complex of 7 apartment buildings. The site is in a DESIGNATED HIGH PRIORITY wildlife and coastal corridor and, as such, should not even have been under consideration for development. As Australia has one of the highest extinction rates in the world, we should be doing our utmost to preserve the flora and fauna that we have remaining. Thank you.
