RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

Hi there

I write to express my opposition to the proposed boarding house at 60 Binalong Rd.

Firstly this particular area of Allambie has small roads which if a 36 room boarding house is erected here would create massive road congestion and traffic inconveniences. There are a lot of school children that walk to and from school in this area and an increase in traffic creates a dangerous situation for kids.

This area is not designed to cope with an overflow of people and the hustle and bustle and constant coming and goings with a boarding house would create an unpleasant noisy environment for current residents.
