**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I grew up at Avalon where my grandparents, great aunt and uncle, father's cousin and family, great grandmother lived. One cousin with her husband raised their children there and one now lives in Kevin Avenue in our grandparents' old home before they moved into Avalon Parade. I started my schooling on the first day that Avalon Primary School opened, with Mr and Mrs McGuire in charge. There's much more I can bore you with but suffice to say that the Barrenjoey Peninsula has a big place in my heart and past life. It is imperative that everything possible be done to maintain the integrity of the natural beauty of the area and its flora and fauna. I now live in South Australia and still occasionally get across to 'wander down memory lane'. If it is of any interest: Lois, the daughter of Mr and Mrs Wickham who owned the first Post Office and General Store, is still alive in the USA and still has title on a house in the area. Please look beyond financial aspects of immediate gain and be remembered and commended that you never gave in to the pressure of developers. Thank you, Robyn Sierp (nee Bartlett).
