**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I totally object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife and coastal corridor, home to many vulnerable species.

This is biodiversity land and must not be destroyed by this 85 unit development or any other development proposals in the future.

The council must do everything it can to protect this land permanently and to remove the ability for anyone else to attempt to develop in the future.
